

Artur Ganczarski

**Academic degrees: doctor habilitatus in Engineering,
prof. of CUT**

Position: Proffesor

Engineering - technical field

Discipline: Mechanical engineering

Academic qualifications:

Head of Laboratory of Mechanics of Continuous Bodies years 2007-2017. V-Dean years 2008-2016.
Rektor's Deputy for Collaboration with TU Berlin.

Membership in professional and academic boards:

GAMM

Academic merits :

Participation in 99 conferences and scientic workshops. Author or co-author of 75 scientic publications.
Author or co-author of 20 monographs and monograph chapters. Secretary or organizer of 3
international conferences. Supervisor of 4 PhD Theses.

Professional qualifications/language skills

English, French, Russian.

Research field :

Theory of plasticity, Continuum damage mechanics, Anisotropy, Functionally graded materials.

Address

Cracow University of Technology,
Faculty of Mechanical Engineering
Address: Warszawska 24
31-155 Krakow
phone .
