

Marek Berezowski

Academic degrees : prof. dr. hab. ing.

Position : full prof.

Engineering - technical field: engineering

Discipline Chemical engineering

Academic qualifications:

Membership in professional and academic boards :

Academic merits : [Naming in world literature the calculation method after Berezowski](#), [recognition of this method as better than Euler's method](#). Presence in the [AD Scientific Index 2025 ranking](#), including PK 1st place in the i10 Index (Total) and 1st place in Mathematical Sciences.

Professional qualifications/language skills - 107 papers, 48 conferences, 9 monographics

Research field : dynamics of nonlinear systems, chaos theory and fractals

Address

Cracow University of Technology,
Faculty of Chemical Engineering and Technology
Address:
31-155 Krakow
phone .
