

Mid-term evaluation time schedule September 2026

The mid-term evaluation will be taking place from 15 to 19 September 2025. The detailed plan of the evaluation specifying the date, time and place of meetings with the committees for individual disciplines will be revealed no later than 5 September 2025.

- A folder with the complete set of documents is to be submitted to the Office of the CUT Doctoral School **no later than 4 September 2025 (Thursday) at 12:00** (*Announcement no. 1/me/2025 of the Director of the Doctoral School of Cracow University of Technology - points 12*)
- The documents required for the mid-term evaluation are to be made available in the assigned directory on OneDrive **no later than 4 September 2025 (Thursday) at 12:00** (*Announcement no. 1/me/2025 of the Director of the Doctoral School of Cracow University of Technology - points 12*).

Links to individual discs were made available in private messages through the communicator on Teams in August 2024.

- The presentation on the progress in completing the individual research plan is not to exceed 20 minutes. Presentation rules may vary depending on the discipline. If you have questions, consult the representative of the relevant discipline or the head of the committee.
