

Mid-Term Evaluation Schedule – February 2026

For doctoral students who commenced their education in the 2024/2025 academic year under the six-semester programme

The mid-term evaluation will take place from 23 to 27 February 2026. The detailed evaluation schedule, including the date, time, and venue of committee meetings for each discipline, will be announced by 18 February 2026.

- By 18 February 2026 (Wednesday), 1:00 p.m., a folder containing the complete set of required documents must be submitted to the CUT Doctoral School Office (see the Announcement of the Director of the Doctoral School of the Cracow University of Technology of 19 November 2025).
- By 18 February 2026 (Wednesday), 1:00 p.m., the documents required for the mid-term evaluation must also be uploaded to the assigned OneDrive folder (see the Announcement of the Director of the Doctoral School of the Cracow University of Technology of 19 November 2025).

The link to the individual OneDrive folder was provided in August 2025 via Teams in a private message.

The presentation concerning the implementation of the Individual Research Plan should be prepared for a maximum duration of 20 minutes. The presentation requirements may vary depending on the discipline. If you have any questions, please consult the discipline representative or the Chair of the Mid-Term Evaluation Committee.
