

Małgorzata Cimochowicz-Rybicka

Academic degrees : PhD DSc Eng

Position : professor of Cracow University of Technology (CUT)

Engineering - technical field

Discipline Environmental enginering, mining and energy

Academic qualifications:

Director of the Doctoral School of the Cracow University of Technology;
Head of doctoral studies at the Faculty of Environmental and Energy Engineering;
Member of the Scientific Council of the discipline: environmental engineering, mining and energy at the Faculty of Environmental and Energy Engineering, PK;

Membership in professional and academic boards :

Member of the International Water Association - IWA (affiliation to the Sludge Management and Anaerobic Digestion sections);
Member of the IWA Poland Association
Member of the Polish Association of Sanitary Engineers and Technicians (PZiTS)
Member of the IHE Delft Alumni Association

Academic merits :

Authorship and co-authorship: monographs and chapters in monographs, articles;
Presentation of own scientific achievements at national and foreign scientific conferences;
Management of research projects (e.g. www.intowgc.pl/index.php) including (4) international;
Organization and co-organization of national and international conferences;
Expertise for industry; design works; implementation
Reviewing and evaluating doctoral and habitation theses
Reviewing scientific publications (national and foreign publishing)

Professional qualifications/language skills

Independent function of designer and work manager in the installation and engineering specialty;
English - the possibility of conducting a doctoral dissertation in this language

Research field :

Water and wastewater treatment technology; sludge disposal and management; circular economy; environmental biotechnology; wastewater and sludge fermentation processes; disintegration processes in sludge management; biodegradation of sewage; energy use of biomass; recovery of materials and energy in the municipal economy;

Address

Cracow University of Technology,
Faculty of Environmental Engineering and Energy
Address: Warszawska 24
31-155 Krakow
phone : +48 12 6282865
e-mail : mcrybicka@pk.edu.pl
