

The 2024 mid-term evaluation time schedule

The mid-term evaluation will be taking place from 16 to 20 September 2024. The detailed plan of the evaluation specifying the date, time and place of meetings with the committees for individual disciplines will be revealed no later than 5 September 2024.

- The documents required for the mid-term evaluation (under pt. 11 of the Information on the 2024 mid-term evaluation) are to be made available in the assigned directory on OneDrive **no later than 5 September 2024 (Thursday) at 12:00.**

Links to individual discs were made available in private messages through the communicator on Teams in September 2023.

- A folder with the complete set of documents is to be submitted to the Office of the CUT Doctoral School **no later than 5 September 2024 (Thursday) at 12:00.**
- The presentation on the progress in completing the individual research plan is not to exceed 20 minutes (*further information on presentations may be obtained from the heads of the committees*).
